Dear Microsoft Settlement:

I went to a website that wanted me to send an email with some crap about how the DOJ wasted money on the MS trial. However, I feel that is far from the truth. MS is a horrible monopoly, and I wish it had been broken up. Thus, I hope NOT for the trial to be dropped, but I wish the DOJ could be more aggressive in their strategy to bring down MS.

Sincerely,

Karthik Raman - Senior at the Texas Academy of Mathematics and Science
